

Relative Strength Rankings-1000 Most Liquid ETF's

Rankings based on JLFMI's proprietary Fund Selection Model. This is a quantitative model designed to identify securities most likely to outperform over intermediate-term, i.e., 2-6 months. Long candidates may be best chosen from top 10% of Rankings while bottom 40% may best be avoided.

Ticker	Security Name	Rank

Important Consumer Disclosure

The Lyons Share's web site is limited to the dissemination of general investment-related information together with possible access to additional publications and links. Accordingly, the publication of The Lyons Share's web site on the Internet should not be construed by any prospective or existing subscriber as a solicitation to effect, or attempt to effect transactions in securities, or the rendering of personalized investment advice for compensation over the Internet.

The Lyons Share

Subscribers are solely responsible for choosing investments for their accounts based on their own risk tolerance and general circumstances. The Lyons Share does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any information prepared by any unaffiliated third party, whether linked to The Lyons Share's web site or incorporated herein, and takes no responsibility therefor. All such information is provided solely for convenience purposes only and all users thereof should be guided accordingly.

Past performance may not be indicative of future results. Therefore, no prospective or existing subscriber should assume that future performance of any specific investment or investment strategy, including the investments and/or investment strategies made reference to directly or indirectly by The Lyons Share on its web site, or indirectly via a link to an unaffiliated third party web site, will be profitable or equal any historical performance level(s).

Please remember that different types of investments involve varying degrees of risk, and there can be no assurance that any specific investment will be suitable for a prospective or existing subscriber's investment portfolio.

Historical performance results for investment indices and/or categories generally do not reflect the deduction of transaction and/or custodial charges, the deduction of an investment management fee, nor the impact of taxes, the incurrence of which would have the effect of decreasing historical performance results.

Certain portions of The Lyons Share's web site (i.e. videos, posts, commentaries, etc.) may contain a discussion of, and/or provide access to, positions and/or recommendations as of a specific prior date. Due to various factors, including changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). Moreover, no prospective or existing subscriber should assume that any such discussion serves as the receipt of, or a substitute for, personalized advice from an investment professional.

The Lyons Share is neither an attorney nor an accountant, and no portion of the web site content should be interpreted as legal, accounting or tax advice.

The Lyons Share does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness or relevance of any information prepared by any unaffiliated third party, whether linked to The Lyons Share's web site or incorporated herein, and takes no responsibility therefore. All such information is provided solely for convenience purposes only and all users thereof should be guided accordingly.

Each prospective or existing subscriber agrees, as a condition precedent to his/her/its access to The Lyons Share's web site, to release and hold harmless The Lyons Share, its officers, directors, owners, employees and agents from any and all adverse consequences resulting from any of his/her/its actions and/or omissions which are independent of his/her/its receipt of access to The Lyons Share.
